

PROGRESS REPORT IN THE YOUNG CASE

EFFECTIVE 07-10-02

The case is virtually over as far as individual claim settlements. We have no unsettled claims in our office, except for two upon which we are waiting arbitrator's decision; and a third of which is going to be submitted to the Court on a legal issue; the two District Attorney claims are on appeal. I anticipate this will be the last progress report I will make until the Court of Appeals rules.

1. Status of Claims:

- Total Claims 1765
- Number of Claims Settled 1759
- Claims that remain outstanding 6
 - 2 waiting arbitration decisions
 - 1 waiting judicial decision
 - 2 waiting Court Appeals decision
 - 1 OUS employee
- Claims left to be paid out through this process 11

2. PERS

I have communicated with PERS in the last few months, and I have received assurance from the Director that PERS has been processing all retirement accounts. If you go to PERS' Web Site, you will see an updated report on PERS' progress to date. If anyone has questions regarding what PERS actually does to their account, and PERS can't answer them to your satisfaction, please contact me.
